Upon their return from exhilarating evening game drives, guests are welcomed by Ngala's warm, hospitable staff to a banquet in the elegant candlelit courtyard, or to an African feast around the blazing boma fire. Day 4

Safari Game Drive in Kruger National Park

Enjoy early morning and late afternoon game drives that continue after nightfall. Your professionally trained guides will ask you about your favorite wildlife and will do their best to ensure that your preferences are met, whether it is tracking a

particular species or spending more time enjoying each sighting and getting to know the habits of the animals. They will also tell you about the vegetation of the region and will explain the behavior of the animals that you come across. In some cases, the guides will be able to identify individual animals and let you know about their history and habits. Ngala Private Game Reserve is home to all of the Big Five, but is particularly well known for its large prides of lion and occasional sightings of wild dog, as well as large herds of elephant and buffalo.
