### VIP Meet & Greet Airport Arrival

Your VIP guide will meet you upon your arrival in the airport terminal. They will then escort you through customs and immigration, help you to collect your baggage at the carousel and accompany you to your driver, who will be waiting curbside for your transfer to the hotel.

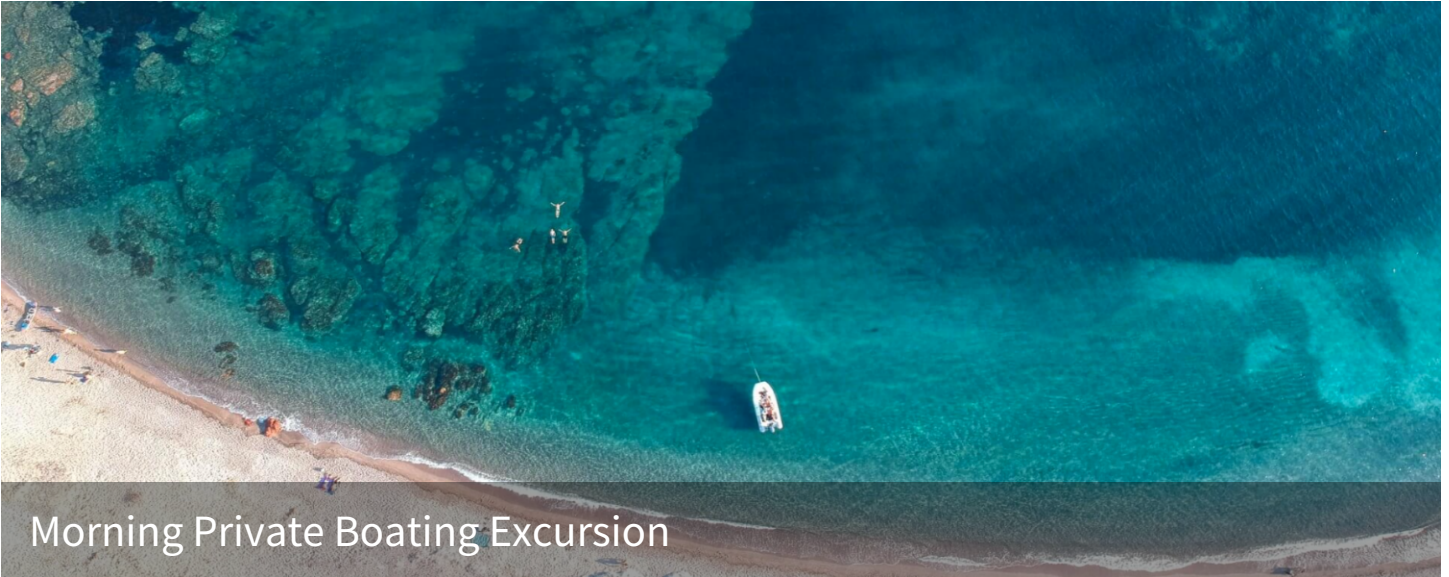

### Casadelmar

On the south coast of Corsica lies the Hotel Casa del Mar - a notable architectural achievement that breaks the mold with crisp lines and simple shapes. Sleek, striking, and filled with natural light. Jean-François Bodin's new design, an ultra-modern structure in red cedar and glass, will be sure to bring out the architecture fanatics, as well as the more fashion-conscious patrons.
